

# Join a Company Built for Loan Officers' Success

Transparent, profitable, and tech-forward lender committed to your growth.

## Our Competitive Advantage

Transparent. Efficient. Aligned with Your Goals.

At MegaStar, our structure is **built to support high-performing Loan Officers** with the clarity and efficiency they need to scale their business.

### You will benefit from:

#### Transparent pricing model

- Benchmarked weekly against industry leaders
- Stay competitive in any market

#### Very low cost to originate

- Keep more of what you earn

#### Real-time P&L reporting

- Accurate, up-to-date insights
- Proactively manage your business

#### Flat organizational structure

- Direct access to leadership
- Faster decisions and personalized support
- Stronger alignment with your goals
- Proactively manage your business

#### One Day Decision (ODD) Program

- Underwriting decision in one day
- Verified income pre-approval letters
- Faster, simpler loan closings

## Real Career Growth

Rewarding. Supportive. Long-Term.

#### Profit sharing

For LOs who produce \$18M+ annually.

#### Career longevity

Average employee tenure is 15 years

#### Built for top producers

You grow, we support you.

## Lending Power & Credibility

Direct Access. Full Control. Trusted by the Agencies.

### Approved Seller/Servicer with Fannie Mae, Freddie Mac & Ginnie Mae

Full access to **key loan programs and agency support.**

### Retained servicing

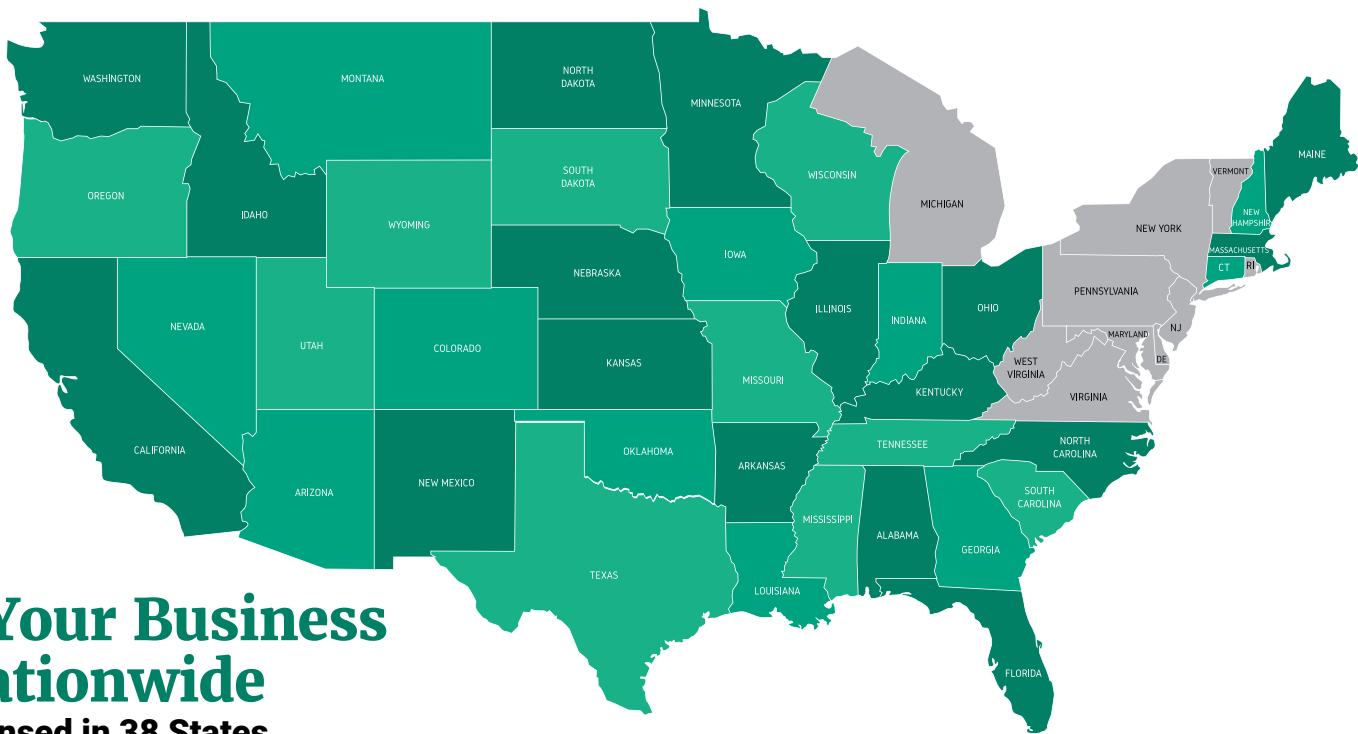

**We keep servicing in-house** to protect your client relationships and ensure consistency.

**Privately owned** Independent decision-making focused on people, not shareholders.

**Consistently profitable** A model that works in all market conditions

**Solid balance sheet** Financial strength that supports long-term success.

**27+ Years in Business** A proven track record of stability and growth.

# Build Your Business Nationwide

Licensed in 38 States

## Technology That Works for You

You will benefit from:

**In-house tech stack**  
POS, LOS, and CRM integrated into one platform.

**Faster, smarter workflow**  
Simplifies your process from application to closing.

**Built for performance**  
Designed specifically to support top-producing LOs.
